

Erratum

Lomax, A., Michelini, A., 2011. Tsunami early warning using earthquake rupture duration and P-wave dominant-period: the importance of length an depth of faulting (Geophys. J. Int., **NNN**, nnn-**nnn**, DOI: 10.1111/j.1365-246X.2010.04916.x)

In Lomax & Michelini (2011) there is a missing square-root in Eq. 1. The correct form of the equation is,

$$\tau_c = 2\pi \sqrt{\int_{T_1}^{T_2} v^2(t) dt / \int_{T_1}^{T_2} \dot{v}^2(t) dt} . \quad (1)$$
